

Wonder Walk

Welcome to our Wonder Walk.

Take this map and find each station in turn. Spend some time there using the guidelines overleaf to give you ideas. Feel free to stop on the way. Be open to the unexpected! Keep your senses open to what you can see, hear, smell, touch and wonder at.

The churchyard at Christ Church has been a place of wonder for nearly 200 years, and is a special place for many today to find peace and stillness. Go gently, and step carefully round the graves, both for your safety and to remember the families who come here to visit the graves of loved ones. Also watch out for occasional cars.
