

### Testimony

You have probably seen Wendy Dundas at church in the last few months, often with Valliant, her black Labrador and maybe James her son. Wendy has been coming to the 10.30 service at Christ Church for a few months. She works in Child Protection. I asked Wendy what God is doing in her life at the moment. She says, "It's been a painful but exciting time. I am beginning to know God on a deeper level. I'm learning about my shortcomings. It's not been a smooth path."

So what has brought Wendy to this new sense of God working in her?

"It was the series of services on Values. I began to feel a sense of discomfort about my life and faith. I realised that I didn't tell people that I went to church."

Wendy describes that although it has been painful, she feels she is on a learning curve and she is experiencing a whole new way of faith. She's experiencing a sense of joy and thankfulness as she seeks what God wants to do in her and through her at the moment.

She asks us to pray that she will know what to do when someone with a need comes her way. She has a heart for the lonely and is a good listener.

Thank you Wendy for all the ways you have already blessed us.

### Prayer

After the success of the Early prayer times at Pentecost, there is now a 7 am prayer

meeting each Wednesday in church. Come and pray for the Spirit's work in our lives and in our community.

### Invitation

#### The Joy of the Gospel- the joy of invitations

Do you like receiving invitations? Thought so. Then why do we find it so hard to give them? Believe wholeheartedly that Jesus is alive? Why then do some of us find it so hard to invite people to come and see? I am about to read a book about how to become a person who invites others to "Come and see" at church or other events. I'll let you know how that goes. But those of us who aren't so good at this can already get started. Why not invite someone to:

One of the men or women's events (see below)

A Sunday service – check the web site if you want to pick one that might suit particularly.

Messy Church; the Forest Family Day; (see below)

The Big Lunch at Page Park on Sun 12<sup>th</sup> June

And see if you can go with them. It can make all the difference.

### Opportunities to serve

Serving is growing more like Jesus.

We love all the ways you serve people out there in your daily life. But we also love it when you are able to serve the church community. Here are some current opportunities:

- Messy Church: preparing or helping children with crafts; Catering; Registering people on arrival  
4 – 6.30 pm on the 4<sup>th</sup> Wed of the month
- Join the Welcome team – extend a welcome to newcomers at the 10.30 service and make them feel at home.
- Book keeper for church finances -see Christ Church Life for details.
- A couple who would like to host one or two couples at home for the Marriage Course – you make them feel welcome, give them a meal, show them the DVD, pausing at intervals for them to discuss in private the questions set in the manual. A 5 week course. No training needed. I would support you with admin, prayer and issues arising.
