

# Church Downend Mission Support 2017-19

Christ Church is committed to seeing God's purposes worked out in the wider world and currently supports six mission agencies through the tithing of our donor income, prayer and practical engagement. (The tithe equated to approximately £20k in 2015). We also support the work of TEN in Ursaoia, Moldova, through a tithe on donor giving to the Building4Life Re-ordering Project, and the Deanery Uganda link through an annual donation. Our mission support is now due for review and the PCC has agreed that for the period 2017-19 we will actively partner with 6 organisations as nominated by members of the congregation. If you would like to propose an organisation to support, please complete the form below, paying due regard to the following criteria which have been agreed by the PCC:

- We aim to support organisations with a distinctly Christian ethos and base, which build the kingdom of God and express God's love for his world in word and action
- The PCC will ensure we support a balance of home and overseas projects as an expression of our commitment to the whole of God's world.
- Priority is likely to be given to projects where the support we can give goes beyond just the financial and can engage the Christ Church congregation, and where possible the wider community, in meaningful partnership.
- Our support should help lead to clear outcomes and avoid any sense of a dependency culture. There needs to be a clear understanding of the tangible differences that our support can make.
- The PCC will give due regard to existing commitments to projects/organisations, when finalising mission support for 2017-19.
- Any project nominated must have 2 mission champions (or home group ownership) committed to profiling the organisation and its work through the year, and encouraging creative engagement.
