Prayer Focus

- Get involved in our 24 hours of prayer from 9 am Easter Saturday to 9 am Easter Sunday as part of the Easter weekend. Please pray that people who didn't have the confidence or opportunity to come last time will come and experience God's peace, strength and guidance.
- Also pray for the Good Friday morning "Experience Easter Together" event which will take a new format: pray for the right marketing and content and that it will draw people of all ages to encounter the cross.
- We continue to look for new support for the women's events team: please pray for clear discernment and for the right person. I also am seeking another person to join the Jigsaw team so that I can take more of an oversight role.

Anita Dobson — Discipleship

Prayer

If you would value prayer, please go to the sanctuary (by the Altar) after the morning service.

No Lent Silent prayer Until May 2
Since it's proving to be a special time, we'll resume again on 2 May.

Prayer Triplets

If you are interested in forming a prayer triplet and are not sure who to ask, please find Anita after the 10.30 service in the welcome space, or get in touch by phone or email. We have a special reason to want as many prayer triplets as possible to form this year as we pray for friends, family and neighbours to come to faith.

Christ Church PCC - is God calling you?

The PCC (Parochial Church Council) is the church's governing body and sees its task as 'cooperating with the vicar in promoting the whole mission of Christ Church with a particular responsibility for ensuring wise and faithful stewardship of the church's resources, to enable vision to become reality'.

In other words it plays a key oversight role and we need godly men and women to serve on it from the APCM onwards.

The PCC meets 6 times a year usually on midweek evenings, and induction is provided for new members. Nomination forms are available from Sunday 26 March, together with leaflets explaining a little more of what is involved. On a wider level we also need up to 4 people to serve on the deanery synod, a body which seeks to encourage the flourishing of the wider church.

Parish Safeguarding Officer Vacancy

At the end of June Kathy Prosser will be stepping down from her role as Head of Wholeness and Pastoral Care, and will instead be commissioned as a lay chaplain continuing much of her ministry to care homes, in home communions and hospital visiting. For the last couple of years Kathy has also fulfilled the role of Parish Safeguarding Officer (PSO) ensuring that we have robust and compassionate policies for safeguarding children and vulnerable adults. As she relinquishes this role we will be making it a priority to appoint a new PSO to oversee this vital aspect of Christ Church's life. Could you be that person? A full role description is available and support and training will be provided to ensure a smooth transition. Speak to Paul, Jo or Kathy to find out more.
