Newsletter from Misa Hiorescu, June 2020 Ursoaia, Moldova

Lord's peace, dear brothers and sisters!

Right from the beginning, I'd like to thank you for all the prayers you raise for us. A lot of time has passed since I wrote to you my last newsletter, so I decided to write again and tell you about the events that took place during this period.

About our family - except for Antonina, who is in UK, we're all at home.

We also stayed a lot in lockdown and the authorities also didn't allow us to gather in our Church buildings. Only two weeks ago we've been allowed to gather at the building.

All this time we tried to make visits, but they were really short because people were afraid of this virus.

One day, when I was at home, our home line phone rang. It was a woman calling. She has four children and she asked us to help her with food, because she didn't have any food to give to her children to eat. I was surprised and happy to know that we had the courage of asking for our help, so we visited her. Please, pray for this family.

During the quarantine we also went to our Church building from time to time, and the children there were asking to let them to play on the Church grounds, because they like it at the Church building. Unfortunately, the authorities don't allow us to organize these meetings with the local children. We hope that in the future everything will come back to normal and the children will be able to come our Church building as they did before.

We thank you for everything you do for us. May God bless you!

Prayer requests:

1. We know that you pray for us and for our Church, but especially, please pray for this family who has many children so that God would touch their hearts.
2. Pray that during these difficult time, village Ursoaia would answer to God's calling.
3. Pray that the children would be able to come to the activities we organize at the Church Building.

Much love from Hiorescu family
