

Encounter Jesus, one another and creation...

27th-29th September 2024

Over the weekend of 27-29 September 2024 (Friday afternoon to Sunday mid-afternoon) Christ Church will be taking over Lee Abbey Conference Centre in Devon.

This promises to be a weekend for everyone. The programme will include worship, teaching, time to talk and pray, and to enjoy just being away from it all in beautiful surroundings. The Lee Abbey team will run special activities and teaching sessions for our children and young people, freeing our youth and children's leaders up to engage with the wider church family.

The site accommodates around 160 people, and we anticipate there being heavy demand for places. Forty of these are reserved for our teenagers who will be sleeping in the Beacon Youth Centre within the grounds.

If you would like to come, please complete the online booking form and follow the details for how to pay your deposit. You will then receive confirmation of your booking within 14 days.

We can look forward to a weekend where God will renew us in body, mind and spirit, and continue to build us into a community of all ages that celebrates his life, and reveals his love.

About Lee Abbey

Lee Abbey is a conference, retreat and holiday centre set in a stunning 280 acre estate on the edge of Dartmoor, overlooking the sea. Established as a Centre in 1946, it has been a place of refreshment, renewal, teaching and hospitality for over 70 years. Lee Abbey is served by a 90 strong international Christian Community.

Is the weekend suitable for children?

Definitely yes! Children and young people will enjoy the facilities on offer at Lee Abbey and will have their own age specific activity/teaching slots during the main conference sessions, led by Lee Abbey's youth and children's teams. A staffed crèche will also be available. Our teenagers will be accommodated in the recently refurbished Beacon Centre, which contains a pool table and indoor climbing wall.

Both adults and children will be able to join in with activities such as a zip wire, crafts and archery, all of which are included in the price.

Most have their own private ensuite facilities, though a limited number of non ensuite rooms are available at a slightly reduced cost.
