JULY 2025 | URSOAIA, MOLDOVA

*Peace, Dear Brothers and Sisters,*

We would like to share with you some of the events that have taken place during these spring months. First of all, we want to sincerely thank you for your prayers for our family. We are grateful that you do not forget us in your prayers, and we thank God for all the blessings we have received. Our children have grown up and are in a beautiful stage of their lives. Our youngest son, Samuel, has completed his first year of university, and we are now grandparents, enjoying the presence of our grandson, Elias. Antonia, Elias' mother, works full-time in the city and commutes daily; she recently got her driver's license, making her travels much easier. Diana has moved to Chişinău, where she works and lives. Therefore, our home is still full of children and grandchildren. Even when they leave for short periods, they always return, and we never have an empty house. We are truly thankful and blessed to have such a family.

Thank you for being with us through your prayers and support for our church. The Sunday programme remains the same. Valentina has started leading the worship time during our Sunday services, and she has a beautiful voice. We have also begun to involve the children in the worship time, allowing them to recite poems or Bible verses. Our church is a bit shy, and it is often difficult for anyone to step forward, but each time someone decides to share a testimony, recite a poem, or sing, we all appreciate, encourage, and rejoice together. It is truly wonderful to share with one another the miracles God is working in our lives every week. In a small village in southern Moldova, God works mightily through simple people like us. God saves, protects, and provides miraculously for the members of our church, and we all see this and want to testify about it.

Until June, we continued gathering children from the village twice a week at the day centre. We have around thirty to forty children attending. At the beginning of the school year, the children are quite shy, but by the end of the school year, they feel like they are at home. In addition to the regular Bible lessons, we also have cooking activities where we teach the children to prepare simple dishes like salads and cakes, all made by them. For Easter, we delighted them all with their favourite food: cake and plenty of fruit.

## *New Members*

We have two new people attending our church: Mrs. Dina and Tatiana. They are very excited, and we hope they will soon decide to be baptised and follow the Lord. They really enjoy hearing the Word and ask many questions.

## *Prayer Requests*

- Thank God for the blessings He has brought to our family and for the growth of our children. We pray that God gives them wisdom and blesses each one of them.
- Please continue to support us in prayer for the spiritual growth of our church and for more people to make the decision to follow the Lord.
- We ask God for the children from the village, that they may feel His love and stay close to His Word.
- Join us in praying for the new people attending our church, Mrs. Dina and Tatiana, that God may guide them to make the decision to be baptised.

Thank you for your constant prayers, for your support, and we ask that God bless you abundantly.

Here is all the Hiorescu Family (together with Mihaela's husband).

Thank you for everything you do for us, and may God bless you according to His grace and reward you richly.

From,

*Mihail Hiorescu*
