SEPTEMBER - DECEMBER 2025 | URSOAIA, MOLDOVA

Greetings

Peace of the Lord, dear brothers and sisters in Christ.

We sincerely thank you for your prayers and for standing with us. Your support means so much to our family and to the ministry we are serving in. As a family, we are doing well. The children are growing so fast, we hardly notice how quickly time has passed, but we rejoice that they love Jesus and are growing in faith. We thank the Lord for the peace He gives us and for the place where we can gather together with the church each week.

On 9th October, we celebrated the Thanksgiving (Harvest) celebration. We had the joy of welcoming brothers and sisters from the church in the village of Telenești. It was a beautiful and blessed day. We shared a wonderful time of fellowship and ended the celebration with a meal together, thanking the Lord for all His blessings.

After a three-month break, we resumed our children's centre meetings in September. We are grateful that the children continue to come faithfully. Each time they are welcomed with a warm meal and loving hearts. During our meetings, we organise various educational activities, and above all, we desire for them to know Jesus more deeply. It is a great joy to see their desire to attend church and to know they find support and care here.

A mother of three children who attends the centre sometimes comes with them and has expressed her wish to help us with cleaning during the winter. When we teach the children, she listens carefully to everything that is being shared. We pray that the Lord will work in her heart as well.

Once a month, we visit Masa, a disabled woman who cannot leave her home without assistance. She is very happy when we visit and loves listening to us speak about Jesus. Please keep her in your prayers, as she is going through difficult times.

This autumn, our son Daniel began teaching a Bible study at church on spiritual growth. The study is clear and accessible, and many church members have shared that it has been a blessing and an encouragement to them. Please pray for Daniel, that the Lord would bless him and grant him wisdom in his service.

Prayer Requests

- Please pray for our family, that the Lord would protect us and give us wisdom in everything we do.
- Please pray for Daniel that the Lord would guide and bless his ministry.
- Please pray for the children's ministry that it would bear fruit and reach many hearts.
- Please pray for Masa that the Lord would strengthen her and keep her hope alive.
- Please pray for the mother of the three children, that the Lord would reveal Himself to her and help her understand His love.

Thank you for your continued prayers and support. May God reward you for everything.

With love in Christ,

Hiorescu Family.
